

# 1st Semester (Spring–Summer Terms) 2024 Grades Confirmation

Please check your grades (classes of Graduate School of Engineering) within the following period.

Grades published: August 19<sup>th</sup> (Mon) 13:00

Confirmation period (including Academic Assessment Appeals)

August 19<sup>th</sup> (Mon) 13:00 – August 21<sup>st</sup> (Wed) 17:00

※ Please check the grades by yourself through the ELMS.

※ Special auditor students will be distributed grading reports at the window of Graduate School Section from August 20<sup>th</sup>.

## 【Notes】

During the above mentioned period, grades inquiries, review requests, and appeals are accepted. Please keep in mind that no requests can be accepted after that period.

## 【Academic Assessment Appeals procedure】

1) Appeals regarding the grades in the situations when the class wasn't graded according to the criteria expressed in the syllabus or explained during the class are accepted at the window of Graduate School Section. Please prepare concrete evidence supporting your appeal.

2) Grade appeal will be referred to the relevant course instructor (s) and when deemed necessary, hearing and further investigation will be conducted. It may take time before the results of investigation are announced.

\*If you have any concerns regarding the evaluation, you can also inquiry to the course instructor (s) directly.

**【About Inter-Graduate School Classes】**

※The Grades will be published on September 10<sup>th</sup> (Tue).

※ Academic Assessment Appeals procedure of the fundamental classes conducted by Graduate School of Engineering in Inter-Graduate School programs is as follows:

Period: September 10<sup>th</sup> (Tue) – 17<sup>th</sup> (Tue)

Reception: window of Graduate School Section

※If you will appeal your academic assessment results for the classes except for the fundamental classes, please refer to the Inter-Graduate School Classes Website:
