

Supervisors who cannot accept new applicants

2024 April Intake

Master

Name of Supervisor	Division	Laboratory
Akera Hiroshi	Applied Physics	Theoretical Solid State Physics
Tuchiya Takuma	Applied Physics	Photo-electronic Materials
Nakamura Takashi	Mechanical and Space Engineering	Mechanical and Functional Materials
Nishimura Satoshi	Field Engineering for the Environment	Soil Mechanics
Furuuchi Hitoshi	Engineering and Policy for Sustainable Environment	Engineering for Maintenance System
Shirai Kazutaka	Architectural and Structural Design	Building Structure Control
Hirano Yoko	Human Environmental Systems	Design Frontier
Matsui Toshihito	Environmental Engineering	Regional Environmental Issues

Doctor

Name of Supervisor	Division	Laboratory
Akera Hiroshi	Applied Physics	Theoretical Solid State Physics
Tuchiya Takuma	Applied Physics	Photo-electronic Materials
Nakamura Takashi	Mechanical and Space Engineering	Mechanical and Functional Materials
Nishimura Satoshi	Field Engineering for the Environment	Soil Mechanics
Isobe Koichi	Field Engineering for the Environment	Analytical Geomechanics
Furuuchi Hitoshi	Engineering and Policy for Sustainable Environment	Engineering for Maintenance System
Shirai Kazutaka	Architectural and Structural Design	Building Structure Control
Hirano Yoko	Human Environmental Systems	Design Frontier
Matsui Toshihito	Environmental Engineering	Regional Environmental Issues
