

# Drugs: From the **idea** to the **Patient**

Health is possibly one of the most “magical” words associated with the development of the human being.

A portrait of Prof. Fernando Albericio, a middle-aged man with grey hair and red-rimmed glasses, wearing a grey suit, a light pink shirt, and a purple tie. He is smiling slightly and looking towards the camera. The background is a blurred indoor setting.

**October 25, 2017**

**4:30-5:30 PM**

**1F SEMINAR RM, THE HOKKAIDO UNIVERSITY MUSEUM**
